

TO FURTHER TAFT BILLS

Republican Leaders of Senate
Make Arrangements

TO SMOOTH OUT PLANS

President Wants Railroad Legislation,
but Congressmen Are Not Con-
vinced of Wisdom of All
That He Asks

Washington, Feb. 18.—Arrangements
having been made by the Republican
leaders of the Senate to smooth out the
recesses in administration plans for the
enactment of postal savings bank legis-
lation, stock is now being taken of other
bills numbered among Taft policies to
ascertain what may be their chances for
passage.

So far as the Senate is concerned, all
of the administration bills appear to be
in good condition, except the federal
incorporation measure and that to create
a legislative council for Alaska. The
fact that Senator Beveridge, who is
sponsor for the Alaska bill, has agreed
to allow it to be displaced as "unfamiliar
business" indicates that he is not en-
tirely sanguine of its success.

The Arizona and New Mexico state-
hood bill will be amended and is likely
to pass the Senate and be accepted by
the House.

On every hand it is admitted that
the measure looking to federal action in
chartering corporations will go over until
another session, but proposed amend-
ments to the interstate commerce law
have received a decided impetus within
the past few days.

President Taft is pressing hard for
railroad legislation, and even senators
and representatives of his own party
who are not entirely convinced as to the
wisdom of all the railroad legislation
which he has asked for are inclined to
get off the track and allow him to have
his way in this matter.

It was announced yesterday that the
special committee of western senators,
of which Senator Smoot is chairman, to
which the administration conservation
bills will all be referred, expects to hold
day and night sessions for the purpose
of expediting its work. The Senate cal-
endar is practically clear of other mea-
sures, and the House is well up with
its work.

members of the Smithsonian-African
scientific expedition arrived here yester-
day. All are well and enthusiastic over
their experiences and the scientific re-
sults of their exploration.

JOY RIDER KILLED.

Philadelphia Autoist Collided with Tele-
graph Pole Early Yesterday.

Philadelphia, Pa., Feb. 18.—While re-
turning from a joy ride in West Phila-
delphia early yesterday, James Graham,
19 years old, was killed when the auto-
mobile he was operating crashed into a
telegraph pole. Three other occupants
of the car, two of whom were young
women, were thrown out and slightly
injured.

Helpful Hints on Hair Health

Scalp and Hair Troubles Generally
Caused by Carelessness.

Dandruff is a contagious disease caused
by a microbe which also produces bald-
ness. Never use a comb or brush belong-
ing to someone else. No matter how
cleanly the comb may be, these microbes
may be infected with microbes, which
will infect your scalp. It is far easier
to catch hair microbes than it is to get
rid of them, and a single stroke of an
infected comb or brush may well lead
to baldness. Never try on anybody else's
hat. Many a husband is a restless
place for microbes.

If you happen to be troubled with
dandruff, itching scalp, falling hair or
baldness, we have a remedy which we be-
lieve will completely relieve these trou-
bles. We are so sure of this that we
offer it to you with the understanding
that if it will cost you nothing for the
trial if it does not produce the results
we claim. This remedy is called Rexall
"98" Hair Tonic. We honestly believe
it to be the most scientific remedy for
scalp and hair troubles, and we know
of nothing else that equals it for effec-
tiveness, because of the results it has
produced in thousands of cases.

Rexall "98" Hair Tonic is devised to
banish dandruff, restore natural color
when its loss has been brought about by
disease, and make the hair naturally
silky, soft and glossy. It does this be-
cause it stimulates the hair follicles,
destroys the germ matter, and brings
about a free, healthy circulation of blood,
which nourishes the hair roots, causing
them to tighten and grow new hair. We
want everybody who has any trouble
with hair or scalp to know that Rexall
"98" Hair Tonic is the best hair tonic
and restorative in existence, and no one
should scoff at or doubt this statement
until they have put our claims to a fair
test, with the understanding that they
pay us nothing for the remedy if it does
not give full and complete satisfaction
in every particular. Two sizes, 50 cents
and \$1.00. Remember, you can obtain
Rexall remedies free only at our
store—The Rexall Store, Red Cross
Pharmacy, Bart H. Wells, proprietors.

Dyspepsia

Heartburn, Gas, Dyspepsia and Headache
Vanish and Your Stomach Will
Feel Fine After Taking a
Little Diapiesin.

USUALLY ONE DOSE ENDS INDIGESTION

Heartburn, Gas, Dyspepsia and Headache
Vanish and Your Stomach Will
Feel Fine After Taking a
Little Diapiesin.

If your meals don't sit comfortably,
or you feel bloated after eating, and you
believe it is the food which kills you; if
what little you eat lies like a lump of
lead on your stomach; if there is diffi-
culty in breathing after eating, eructa-
tions of sour, undigested food and acid,
heartburn, brash or a belching of gas,
you can make up your mind that you
need something to stop food fermenta-
tion and cure indigestion.

To make every bite of food you eat aid
in the nourishment and strength of your
body, you must rid your stomach of
poisons, excessive acid and stomach gas,
which sours your entire meal—inter-
feres with digestion and causes so many
sufferers of dyspepsia, sick headache,
biliousness, constipation, griping, etc.

Your case is no different—you are a
stomach sufferer, though you may call
it by some other name; your real and
only trouble is that which you eat does
not digest, but quickly ferments and
sours, producing almost any unhealthy
condition.

A case of Pape's Diapiesin will cost
fifty cents at any pharmacy here, and
will convince any stomach sufferer five
minutes after taking a single dose that
fermentation and sour stomach is caus-
ing the misery of indigestion.

No matter if you call your trouble
catarrh of the stomach, nervousness or
gastritis, or by any other name—always
remember that a certain cure is waiting
at any drugstore the moment you decide
to begin its use.

Pape's Diapiesin will regulate any out-
of-order stomach within five minutes,
and digest promptly, without any fuss
or discomfort, all of any kind of food
you eat.

PUBLICITY FEATURE OF CORPORATION TAX

Will Be Delayed Because of Lack of
Funds for Clerical Work. Clark
Discusses Situation.

Washington, D. C., Feb. 18.—It looks
doubtful now if the House will attempt
to appropriate the \$50,000 asked by
the secretary of the treasury to carry
out the publicity feature of the corpo-
ration tax law. There are several ob-
stacles in the way of such appropriation.
According to the organization
leaders of the House, the appropriations
committee under the rules will not be
able to recommend this sum for the pur-
pose in question, unless the ways and
means committee procure the passage
of a bill amending the corporation tax
feature of the tariff act and directly
authorizing the expenditure of money for
specified clerical services in Washing-
ton.

Nobody expects that this will be done,
the Democrats already are preparing
to make the situation in relation to
this corporation tax law mix-up, as em-
barrassing for the Republicans as they
can. Representative Champ Clark of
Missouri, the minority leader, served
notice yesterday afternoon on Represen-
tative Sereno Payne, chairman of the
House ways and means committee, that
if he should attempt to secure the adop-
tion of any such amendment to the cor-
poration tax the Democrats would make
it their business to open up the whole
tariff question.

"The Republicans are in a hell of a
fix about this business," said Clark with
a chuckle, when some of the newspaper
correspondents questioned him.
"This matter must take its regular
course" was the remark of Chairman
Payne of the house appropriations com-
mittee, "Regular course" as Payne ex-
plained, means that the item will not
be handled by the appropriations com-
mittee until the general deficiency bill
is taken up for consideration. As this
is the last measure handled at every ses-
sion there is absolutely no chance of
the secretary of the treasury getting his
\$50,000 at an early date.

CANNOT COLLECT DAMAGES.

Because Defendant Was Minor and Was
Not Represented by Guardian.

Burlington, Feb. 18.—A novel form of
action was brought in county court yester-
day. The parties in the case are
Robert A. Hill, B. N. F. and Edward
F. Brownell, former chief of police.
Brownell sued Hill some time ago in
city court to recover damages to him-
self and horse occasioned, as it was
claimed, by Mr. Hill, by careless man-
agement of an automobile. Brownell
obtained a verdict of \$50 and costs and
the case was nonappealable.

Upon the representation of Hill's coun-
sel before Assistant Judge Barber yester-
day, it being shown that Mr. Hill
was a minor and had no guardian ad
litem and had not been acted for by
next friend during the trial of the case,
Judge Barber signed a writ of audita
quirit to set aside the verdict.
The effect of this is to stay the execu-
tion following the judgment of city court
until the suit for damages alleged at
\$500, in which Hill by next friend sues
Brownell is tried.

MIDNIGHT BLAZE AT LYNDON.

Residence, General Store and Feed Store
of Scott McDowell Destroyed.

Lyndon, Feb. 18.—Barley escaping
from the building with their lives, the
family of Scott S. McDowell of this place
saw their home destroyed by fire at mid-
night Wednesday night. The building
contained a general store and a grain
and feed store, the family making their
home on the second floor. But a few
bags of flour were saved. The loss is
estimated at \$15,000, with insurance of
\$10,000.

The cause of the blaze is not known,
but is thought to have been imperfect
insulation of electric light wires.

TWO WIVES CLAIM HIM

Bartholomew T. Murphy of
Rutland Was Arrested

ON THE CHARGE OF BIGAMY

Woman Who Claims to Be Wife No. 1
Says That He Left Her after Six
Months—Other Woman Still
Living with Him.

Rutland, Feb. 18.—Bartholomew T.
Murphy, alias Bert Murphy, who lives
on Baxter street in this city, was ar-
rested yesterday afternoon by Deputy
Sheriff E. S. Whittaker, on the charge of
bigamy. The complainant is Mrs. Edna
Holcomb Murphy of Westport, N. Y.,
who claims that Murphy was married to
her by Rev. William Cashmore at
Port Henry, N. Y., on April 4, 1907.
The records show that he was married
in this city by Rev. N. Proulx on No-
vember 18, 1908, to Miss Elizabeth Dun-
cast of Rutland, with whom he is now
living. He told City Clerk H. B. Whit-
taker, when he took out the marriage li-
cense for wedding No. 2, that it was
his first marriage.

The Westport woman says that she
lived with Murphy for six months, but
that he would not support her, and he
had such a jealous disposition that she
left him. She claims that he threatened
once to poison her.

Has Records to Back Her Claim.

Mrs. Murphy, No. 1, presented proper
records to State's Attorney J. C. Jones
to show that she was married to Murphy
at the time stated in her complaint. The
man gave his name at that time as Bert
Murphy, but was married in Rutland as
Bartholomew Thomas Murphy.

The Westport woman says that she
learned only a short time ago that her
husband had married a woman in this
city. She obtained this information
through friends in Rutland. She came
to Rutland Wednesday, and after look-
ing into the matter a little, entered a
complaint with Mr. Jones. Murphy, who
is a painter, was easily found by Mr.
Whittaker yesterday. He retained Er-
nest H. O'Brien as counsel. The West-
port woman says that he is 25 years
old and that his mother lives in Ferris-
burg.

Murphy was bound over to Rutland
county court by Justice B. H. Stiekney
in the sum of \$1,000 bail. He went to
jail in default of bail.

KILLED GUEST IN NEW YORK HOTEL

Two Desperadoes with Drawn Revol-
vers Shot Down Man Who Hadn't
the Price of Drink.

New York, Feb. 18.—Two desperadoes,
with drawn revolvers raided the lobby
of the Waverly hotel on the Bowery yester-
day and shot down and fatally wound-
ed Fred Devlin, a guest, who, when they
demanded money for drinks, was only
able to produce a dime.
Then held up and robbed the clerk of
the night's receipts. Less than \$10, all
told, was the result of the hold up and
murder.

The men ran out of the hotel after
the shooting and a large force of de-
tectives at once started out on their
trail. Devlin died soon after the shoot-
ing.

AMERICAN TRAMPS MUST GO.

Have Proved Disturbing Factor in Ni-
caragua.

New Orleans, Feb. 18.—All American
tramps will have to leave the east coast
of Nicaragua according to advices re-
ceived here yesterday. An order to the
effect, it is stated, has been issued by
Gen. Estrada upon suggestion of the
American consul at Bluefields.
American tramps, it is claimed, have
been proving a disturbing factor in
Nicaragua being responsible for frequent
brawls.

St. Johnsbury, Feb. 18.—Mr. and Mrs.

ing the 25th anniversary of their wed-
ding. About thirty neighbors and rela-
tives called and during the evening they
were presented with \$25 worth of all-
over, 25 ornaments and an easy chair.
Walter E. Kellogg making the presenta-
tion. Both are natives of this place.
They were married in Boston, but have
always lived here. For several years
Mr. Barrett was the Boston & Maine
freight agent and for 14 years has been

tug Pisagua, arriving here, reports that
the Chilean cruiser Ministro Zenteno, has
rescued the eighty-eight persons who had
been left on the wreck of the British
steamer Lima in Huamili passage, strait
of Magellan.

A cruiser arrived at Huamili pas-
sage Tuesday morning and found 86 of
the survivors still clinging to the wreck.
Two others had reached shore. Those
on the wreck were taken off that after-
noon in small boats with the aid of lines
attached to the cruiser to the wreck. The
two who had gotten ashore were picked
up later.

The Minister Zenteno is taking the
survivors to Ancon. The Lima stranded

SUFFERING IN INDIANA.

As Result of Great Storm. Snow 4 to
7 Feet Deep.

Indianapolis, Feb. 18.—The state of
Indiana is under a blanket of snow more
than 15 inches deep and in many places
there is drift wind from the influence
of a strong east wind it is from four to
seven feet deep. All steam and interur-
ban cars are delayed and traffic over
street car lines in all the principal cities
is being interfered with. Many of the
rural mail routes had no delivery yester-
day and with snow still falling and
drifts piling up, traffic on all roads may
be stopped entirely for a time.

There is much suffering throughout
the state, especially of live stock and
in the cities there is a shortage of coal
because of delayed traffic and inability
to make deliveries.

RESULT NOT DETERMINED

Big Battle Between Govern-
ment Troops

AND THE INSURGENTS

The Troops Slept on Their Arms and
Continued Fighting Yesterday
Morning—Reinforcements
Sent to Vasquez.

Managua, Nicaragua, Feb. 18.—Accord-
ing to an official report issued late yester-
day afternoon, General Vasquez, the
government commander, with 300 troops
attacked General Mena Wednesday at
San Vicente, twenty miles east of Ac-
cayapa. The fighting continued until it
was stopped by darkness. The troops
on both sides slept on their arms and
at daylight yesterday morning hostilities
were renewed, but the result is not
stated.

General Mena is stated to be at the
head of at least 1,200 men, and it is
this that causes some doubt as to the
truthfulness of the report that Gen.
Vasquez, with only a quarter of that
number of soldiers, attacked him. It
is stated, however, that Vasquez was
seeking to prevent the conjunction be-
tween General Mena and General Cham-
orro at Chantales, which was appar-
ently the objective of General Mena. Re-
inforcements were hurriedly dispatched
to General Vasquez yesterday.

Socialist Meetings Result in Injury to
Five Persons.

Berlin, Feb. 18.—The Socialists held
meetings in Frankfurt yesterday to pro-
test against the methods employed by
the police on February 13 in suppressing
the demonstrations against the Prussian
government's franchise bill. After the
meetings the Socialists clashed with the
police in the streets, with serious re-
sults. The police used their swords and
revolvers, and two men and two wom-
en received bullet wounds while several
others were injured by swords. One po-
liceman was stabbed.

NOT YET AGREED.

National League Magnates Hold Another
Stormy Session.

New York, Feb. 18.—The National
league baseball magnates again failed
to agree upon a playing schedule after
another stormy session yesterday, in
fact the matter was not formally dis-
cussed, as it was impossible to secure
enough votes to take the matter from
the table. President Fegel of the Phil-
adelphia club went home in the morning
and President Robinson of the St. Louis
club attended matinee, their proxies be-
ing left with President C. H. Ebbels
of the Brooklyn club.

John T. Brush of the New York club,
who abandoned the 168 game schedule
Wednesday night, lined up with Cin-
cinnati, Boston and Pittsburgh as soon
as the meeting was called to order.
Herman made a motion to have the re-
vision of the constitution dropped, so
that schedule matter might be taken
up again, but after two hours of red
hot arguments the motion was lost by
a vote of 4 to 4.

Sonder Boat Races.

Yachtsmen the country over have
become interested upon learning that
a series of international sonder boat
races will be held off Marblehead,
Mass., next September between
yachts of that type representing
Spain and America. The Eastern
Yacht club committee some time ago
sent a formal invitation to the San
Sebastian Royal Yacht club, of which
King Alfonso is the head, asking that
three Spanish boats be sent to this
country in 1919 to race against three
American yachts for suitable trophies.
An acceptance was received within a
day or two, and the committee of the
Boston Yacht club will proceed at
once to make arrangements for the
races with a committee of the Span-
ish Yacht club.

FUTURE SPORT EVENTS

The national motorboat show will be
held in New York Feb. 19 to Feb. 23.
Boston will hold its annual auto-
mobile show during the week of March 5.
The British open golf championship
will be held at St. Andrews June 17
to 25.

The eastern thoroughbred horse rac-
ing season will open at Aqueduct, N.
Y., April 15.

Sam Langford, the colored heavy-
weight pugilist, has made arrange-
ments to arrive in Paris about March 1.
San Francisco is likely to witness a
six day auto race this summer. It will
be run on the bicycle plan, three driv-
ers to a team, working eight hours,
and the greatest mileage wins.

Secretary Crow of the Canadian A.
U. is corresponding with the Boston
A. U. with a view to exchanging
boxers at the annual championships.
Boston is to hold the New England
tournament in March and also the national
championships April 11 and 12. It is
